SPONSORSHIP PACKAGE

We are excited to be returning to beautiful British Columbia, May 13-14, 2020, for the 2nd Annual South Okanagan Pics & Sticks. This two day event is hosted by Primeau Properties, The Kids Matter Youth Foundation & The Gord Bamford Foundation.

These organizations have partnered together because they share the same passion ... **KIDS!** The mission is to come together to help make a difference of the lives of children and their families living in this area.

Pics & Sticks is an exciting event that takes place in the heart of wine country, located in the sunny South Okanagan. It is the **ONLY** event of it's kind in this region that combines **hockey, golf, a banquet along with an intimate world class concert** over two days with unforgettable moments of fun, laughter amazing food, wine and camaraderie. We are striving to reach the fundraising goal of \$200,000.00.

All the proceeds raised help to support local kids and their families but this can only happen with the support of the community. This year, we want to help even more kids but we can only do that with your participation. **Review the ways for you to showcase your community involvement and get involved!** Businesses and individuals can get on board through the various sponsorship opportunities outlined below.
